The screenshot shows the 'Review Courses' page with a progress bar at the top. The progress bar has three steps: Step 1 (Add Courses), Step 2 (Review Courses), and Step 3 (Submit Courses). A green 'Submit Course Selections' button is visible in the progress bar. The main content area is divided into two sections: '1 Review Course Selections' and '2 Add Comments'. The 'Review Course Selections' section contains a list of courses with green checkmarks: ENG1D1 (English), MTH1W1 (Mathematics), SNC1W1 (Science), FSE1D1 (French), CGC1D1 (Geography of Canada), ADA1O1 (Drama), and TU1OB (Exploring Technologies - Construction and Technological Design). A red circle highlights this list. The 'Add Comments' section has a text input field with the placeholder 'Add comments you would like to include'. A yellow arrow points to this field with a text box that says 'Any comments to leave for guidance/Student Success/Special Education? Leave them here.' A red arrow points from a text box on the right to the 'Submit Course Selections' button. The text box on the right says 'Click "Review Course Selections" to take one final look at your choices'.

Congratulations on submitting your course selections! 😊
